

Let's Join Together To Support Our Vail Families In Need

In Partnership with Greater Vail Community ReSources and
the Vail School District Transportation Department

Due to the closing of our schools,
there is a great need to provide food for the children in our community.

Since ReSources does not have the ability to sanitize food donations,
we are asking for monetary donations to help purchase food.

The Vail School District Transportation Department will be delivering
the food to families throughout the community.

To donate, please go to www.resourcesvail.org/give-back/

If you have any questions or would like further information, please email Heather Stough at stoughh@vailschooldistrict.org.
