

Dear Third Grade Families,

Welcome to a brand new school year! Below is a list of supplies that we will need in the classroom throughout the year. If possible, I ask that each student bring in the following items either Curriculum Night or during the first week of school in a plastic bag with their name on it. If a student does not have an item, we will do our best to provide it for them. Please know that we will not share items or have community supplies in our classrooms in order to promote cleanliness and staying healthy. If you have any questions, please let me know.

Thank you for your support!
