

Federal Impact Aid Survey
October 28, 2020

Dear Parents / Guardians,

It is time for Federal Impact Aid surveys to be completed. Please note that:

- **The Vail School District must receive an annual signed survey from ALL parents or guardians for EACH student in order to receive credit.**
- **It is important that ALL parents or guardians complete and sign this form, even if you are not active military or a civilian working on federal property, on or after October 28, 2020.**

Federal Impact Aid supports local school districts with concentrations of children who have parents / guardians in the uniformed services or parents / guardians employed on eligible Federal Properties. It was designed to assist local school districts that have lost property tax revenue due to the presence of tax-exempt Federal Property served by the District. Last year, we received Federal Impact Aid funds because of your cooperation in returning these forms to us in a timely manner.

In order for our District to meet the filing deadline, we need to have the completed form(s) returned no later than November 4, 2020 even if your employment does not fall within the categories listed on the survey. For more detailed information, visit our web site at <http://www.vailschooldistrict.org>. Look under "Upcoming Events" and you will find a list of eligible federal properties and a copy of the survey form.

You now have 2 ways to complete the survey. **Please use only one method to complete the survey:**

1. Online - You can log into your PowerSchool parent account, click on the link that says "Federal Impact Aid Survey" and complete the survey electronically for each of your children.

OR

2. Paper - You can complete the paper survey form next week which may either come home with your child or be mailed to you.

Thank you for your continued support of the Vail School District. If you have additional questions, please contact LeAudrey Giordano, Business Manager (520) 879-2044 or Esther Lubben, Computer Systems Analyst (520) 879-3936.

Sincerely,
Vail School District

FREQUENTLY-ASKED QUESTIONS

I would like to complete the Federal Impact Aid survey electronically... how do I get started?

To get to the PowerSchool Parent Portal go to www.ps.vail.k12.az.us/public and once logged in to your PowerSchool parent account:

1. Select the student you wish to submit the survey for along the top
2. Select the Federal Impact Aid survey icon on the lower left side of the screen
3. Agree to the terms and conditions
4. Click "Begin Survey"

I can't remember my login for the PowerSchool Parent Portal.

If you need to reset your password, please click on the "Having trouble signing in?" link on the Sign In page. If you don't think you have a PowerSchool Parent account, please contact your child's school directly.

Do I have to answer all the questions?

Questions marked with a red asterisk (*) are required.

I've completed the form, now what?

Once you have finished answering the 2 questions, click "Submit." This will send all of the information you've entered to the school. If you cannot click on this button, you will need to make sure that you have answered all required questions.

What if I have more than one student in the district? Do I need to do this for each child?

Yes, you will need to complete the survey that is specific to each child. We recommend that you complete and submit one form before starting another. This will allow you to "snap" (or share) selected family information, which saves you time.

Help! I'm on the survey and I'm having technical difficulties.

For technical support, click "Contact Us" from the survey page.
